

CAMBER CASEMENT

- Available with platinum series windows
- Architectural window designs
- Vinylbilt innovation style and quality

BEAUTIFY YOUR HOME

Vinylbilt is pleased to announce our new Camber Casement window. This stylish cousin of the traditional Casement makes a distinctive statement. This window creates an elegant look, your eyes will be drawn upward and around the curves, while maintaining the functions and features of our casement window.

Our NEW Camber Casement has all of the features of the regular casement window such as:

- Single Arm Hardware
- Multi-point lock
- Swings out to a full 90 degrees
- Triple Weather Seal
- Precision mitered, fusion welded corners
- Full screen
- 3-1/4" frame construction
- Super Spacer
- Available in all Standard and Custom colours
- Available in both Vented and fixed configurations
